

NOT ONLY DO WE PUBLISH A MAGAZINE, WE SHOUT THESE THINGS AT THE TOP OF OUR LUNGS IF THAT'S WHAT IS REQUIRED

Neal Horsley, founder of The Creator's Rights Party, reasons loudly with the crowd outside an abortion clinic in Kansas City, Missouri at the beginning of Year Thirty-Two of Legalized Abortion in the United States of America. The excerpt below shows how Horsley berated the pro life leaders for not being willing to organize a secession movement.

Short excerpt from Horsley's Roe v. Wade 32nd Anniversary Speech outside the abortion mill.

It's taken us over thirty years to try to figure this thing out! How much longer will it be before we say we'll stop It!? We Can Stop It!

A prolifer yelled out from the crowd, "Why don't you do something?"

I'm doing something! I'm trying to tell you that I can't do it by myself!

The prolifer yelled out, "What are you doing? Advocating we kill the abortionists?"

No! I advocate we organize a secession movement and get away from this ungodly government that legalized the slaughter of God's children, that legalizes homosexuality, that legalizes abominations and forces us to pay taxes to support it. If we can't get away when we're enslaved like this, when would we get away, when would we get away, when would we get away?!

The voice from the crowd yells out, "Christians are not an enslaved people!"

Oh Yeah! You say you're not enslaved because you DENY your culpability.

The voice yells out, "I'm not culpable!"

Pointing at the abortion clinic guard, "You pay your money to protect these people. You do it! You protect them!"

Neal Horsley then pointed at the 12 men from the Knights of Columbus who had marched around the abortion clinic in military uniforms complete with actual military swords. "These people go around in their charade wearing swords while God's children are being literally slaughtered inside that building right NOW! And we claim this is the will of God?! We claim we're doing what God wants us to do?! What kind of God is that?! WHAT KIND OF GOD IS THAT?!"

These are a few of the faithful friends, allies and/or supporters of The Creator's Rights Party in Kansas City, Mo to attend the first organizational dinner for The Creator's Rights Party and to protest against the 32nd Anniversary of Roe v. Wade
